

THANKS TO EVERYONE

Elmbrook Rotary

FOR MAKING OUR 30TH GREAT!

On Saturday, June 3rd, we held our 30th annual "SPIKES FOR TYKES Volleyball Spiketacular" at Mitchell Park in Brookfield and despite the wet and rainy conditions, the day was filled with a whole lot of fun and was as successful as ever!

With over 50 teams and 123 sponsors, we raised just over \$45,000 to benefit charities and programs that we support throughout the year. These include the *Women's Center in Waukesha*, the *Elmbrook Rotary Scholarship program* in addition to our long-standing efforts for the eradication of polio worldwide through *Rotary's Polio Plus program*. **Since "SPIKES" began in 1987, we've now raised over \$650,000!**

Thanks to everyone who participated or made a donation to this year's event. Because of you and your generous support, we can continue to help people and organizations in Southeastern Wisconsin as well as around the world. See you next year!!

PRESENTING SPONSORS:

Baird Foundation • Dunn Investment Management • F & S Enterprises
