

# THANKS TO YOU, **Elmbrook Rotary** WE NETTED A BIG YEAR!

On Saturday, June 4th we held our 29th annual "SPIKES FOR TYKES VOLLEYBALL SPIKETACULAR" at Mitchell Park in Brookfield and thanks to you, we had another big year!

With over 50 teams and almost 300 participants, we raised just over \$46,000 to benefit charities and programs that we support throughout the year. This includes the *Women's Center in Waukesha*, the *Elmbrook Rotary Scholarship Program*, and our long-standing efforts to eradicate polio worldwide through *Rotary's Polio Plus Program*. **Since "SPIKES FOR TYKES" began in 1987, we've raised almost \$700,000!**

Thanks to all our sponsors who donated and everyone who participated in this year's event. Because of you and your generous support, we can continue to help people and organizations in Southeastern Wisconsin and make a difference in our community and around the world. See you next year!!
