

## 2022 VOLLEYBALL SPIKETACULAR

### OUR BIGGEST FUNDRAISER!

**Spikes for Tykes** started in 1988 and initially benefited Rotary International's End Polio effort. Since then, the proceeds have been directed to the Child Abuse Prevention Fund, the Sharon Lynne Wilson Center for the Arts, and numerous charitable causes. Since inception, SPIKES has raised over \$950,000!

SPIKES is a day of volleyball, during which each registered team plays for one hour against a team they have requested or a team assigned, based on skill level. The play is recreational and only for fun. Most teams are coed.

**SPIKES for TYKES**  
is a great time for  
**team building!**

The members of your team or staff, officers of your club, or the employees of your company will bond as a team during this event. Couple the volleyball with a picnic or snacks to complete the day. Food and beverages are available at the picnic shelter.

### WHERE DO TEAMS COME FROM?

Our sponsors include large and small businesses, organizations and individuals who field one or more teams at \$150.00 per team. Sponsors may donate \$150.00 without organizing a team, BUT WE ENCOURAGE ALL SPONSORS TO HAVE PLAYING TEAMS. (Each playing team receives 6 long-sleeve commemorative T-shirts.)

### HOW DO WE MAKE OUR MONEY?

SPIKES funds come from sponsorships, concessions, and a raffle on event day. In addition to the team sponsorships, major sponsorships ranging from Bronze Sponsor to Presenting Sponsor are encouraged.
